## WHO

The USVI Department of Human Services, Medicaid Division host 2024 USVI Medicaid Enterprise Systems Summit.

## WHAT

This summit aims to coordinate activities in support of the Medicaid enterprise and the individuals and families served. Attendees will include US Territories, Federal agency partners, US Territory advocates, USVI Government Agencies, IT, business, and operational effectiveness industry vendors

## WHERE

Frenchman's Reef at The Westin  
St. Thomas, USVI

## WHEN

August 19-22, 2024

## WHY

We're excited to bring together industry leaders, innovators, and professionals to explore the latest developments in Medicaid services and technologies.

This summit presents a unique opportunity for all US Territories to foster relationships, enhance collaboration, and share knowledge among Medicaid and other health and human service leaders, as well as federal partners and vendors.

Build rapport as you meet face-to-face and network with Medicaid subject matter experts. As a sponsor, you will have access to all networking functions with Summit attendees, exhibitors, and presenters.
